Industrial Toughness and Craftsmanship for the Hospitality Market

Over 200 Years of Heritage: Renowned craft potters, the prestigious Dudson brand carries a rich heritage dating back to 1800. Craftsmanship, accompanied by authentic and inspiring designs, have been at the heart of developing the brand into a globally recognised symbol of stylish food presentation.

## Crafted Excellence

**Dudson Hand Crafted Collections**—Made in England and designed with industrial toughness. Every piece is individually glazed by hand leaving an original 'makers mark' on the reverse, highlighting the hand crafted nature.

**Durability**—All Dudson ceramics have a fully vitrified body which creates a "closed" structure. The result of this is a very strong and durable product.

**Fully Glazed Foot**—Pin firing. Fully glazed foot prevents scratching and cross contamination when product is stacked

SMART CUISINE

SMART CUISINE  
**475°F / 250°C**

Oven Glass  
Extra Light - Extra Resistant

Same key components as Opal with a different tempering process to allow for oven use. Most oven ware products are limited in design, too heavy or too fragile and chips easily but not SMART CUISINE. Design offers easy to grip handles and deep wells for dishes with sauces. This new collection of oven to tableware couples durability and style.
